

School Closings and Inclement Weather

During times of inclement weather school closings will be communicated first through area radio and television stations.

The radio station that will be notified is: 92.1 MOO FM.

Major television stations in Vermont will include:

Channels [WCAX 3](#) and

[WPTZ 5.](#)

[Click on the links to see the list of school closings.](#)

SchoolMessenger System

Parents and teachers will be notified of school closings or delays by their school or the Superintendent using the SchoolMessenger system. Please be sure to share any changes in your contact information with your child's school.

The decision to close schools is determined by the ability for buses to navigate roads and safely distribute students throughout the district. School days missed must be made up.
